

Upcoming Events!

The Soccer World Cup is happening soon! That's why we at GTS are getting prepared: Not only with atmospheric decoration but with many exciting activities like team outings to watch the games on big screens and games around soccer that keep you fit in your breaks. Not to forget the rewarding incentives that will start soon!

So get ready to kick it!!!!

Dear All,
The recent months saw a number of challenging events for our GTS Cape Town team: the long European winter, the Lufthansa pilot strike and the eruption of the Icelandic volcano! I am very proud to say, that during this time you showed a tremendous amount of dedication and team spirit, hard work and great achievements, which I hope will become the trademark of our newly established GTS Group!

It has clearly transpired that we as GTS Cape Town are only as strong as each and every one of you. This edition of our Life on Board Newsletter will highlight some of your achievements together with our successful programs and activities, which many of you were actively involved in. One of those milestones of the first quarter of 2010 was certainly the opening of our

IThemba Capricorn Pre-Primary School and our second successful Health Day! We are now looking forward hosting the Soccer World Cup and some more exciting projects and initiatives.
Thank you again for being as enthusiastic and committed as you are - I am proud to be part of such a truly inspiring team.

Warm regards,
B. Thümecke
Birgit Thümecke
Managing Director GTS Group

Best Employers South Africa Awards

After we were the 1st Service Centre in South Africa to be awarded ISO 9001:2008 Quality Certification by the South African Bureau of Standards (SABS) in 2009, our goal this year is to be awarded BEST EMPLOYER SOUTH AFRICA 2010.

"Best Employers South Africa" nominees are carefully screened by a team of top researchers on topics like "Sourcing and Retention Strategy", "Education & Development" and "Corporate Social Responsibility".

We are currently participating in an international HR benchmark process. After that, interviews will be conducted with senior directors and key staff members. The "cherry on top" will be the award ceremony in August, where successful companies will be awarded the "Best Employer SA" title.

We will keep you posted.

GTS goes Green!

Go Green 2010 - the year where we want to create awareness on how to go green and the importance around it. How do you do your bit? Our motto is to empower you with information about going green. Check out the LOB portal on Lind@ for information on where to find recycling points, green events and other good-to-know's.

February was our Go Green launch, and we will continue to give you information throughout the year. Please feel free to send us feedback. The survey completed by you equipped us with useful ideas to implement Go Green wherever possible.

Look out for more information on our annual clean-up drive around Cape Town!
